## Members

**Ahmad Fuaad Kenali**  
FCCA, CFO, DRB-HICOM, Malaysia

“ I have confidence in the consistent quality of ACCA-qualified staff. It has helped me build a strong and competent team, while its events, conferences and other activities have let me enrich my network. ”

*Read Ahmad's success story on [yourfuture.accaglobal.com](https://yourfuture.accaglobal.com)*

## Kirsty Meldrum

**Loan Markets Santander Global Corporate Banking, UK**

“ I chose ACCA because it's about more than just financial reporting. ACCA covers a wide breadth of subjects which I believe will stand me in good stead for the rest of my career in banking. ”

**Vijender K Bansal**  
Senior Analyst, Accenture, India

“ ACCA is a global body and employers value the qualification, which means no matter where you go, employment is never an issue. ”

## Employers

### Radu Maftai

**Finance & Accounting Associate Director,  
P&G Balkans**

“The ACCA Qualification helps significantly with the first pre-requisite of success: competence.”

---

### Luke Falconer

**Finance Manager at Talk Talk, UK**

“The relevance of ACCA's qualifications and the flexibility it offers to its members are key. With globalisation, we are seeing more mobility, and this has also created more excitement in the accountancy profession.”

---

### Hooi Kok Mun

**Partner and Head of Assurance,  
SJ Grant Thornton, Malaysia**

“ACCA candidates tend to have a good understanding of financial accounting and management accounting – they're quite well-rounded, which helps the business. Even if they don't deal with certain aspects of the business every day, they tend to understand how the different parts work, which ultimately means they have the potential to progress quicker than other staff.”

# What's it like studying with ACCA?

---

**Flexible and supportive – these are the two words our students use to describe the experience of studying with ACCA. We make sure that whatever your lifestyle and commitments, there's a way with ACCA to reach your goals.**

You can take a number of different routes – all of which train you through a potent combination of exams, ethics and experience.

## Flexibility

You can study full time – or part-time around work commitments. And we offer a number of ways to study too. You can either:

- find an ACCA-approved tutor, via our global network of Approved Learning Partners
- self study using **ACCA-X**, our high quality online learning programme
- learn through a combination of methods.

## Support

Once you join, you'll find you have plenty of people to talk to and chat with online to keep you inspired and focused – whether you have a tutor or you opt for self-studying.

ACCA Connect is our 24-hour, seven day a week support service that's open year-round. You can contact Connect by phone, email or webchat – and a dedicated member of the team will be on hand to answer your questions. You can also contact your local ACCA office for support.

For encouragement, ideas and inspiration, you'll also be able to talk to your fellow students around the world through the ACCA virtual learning community. And for support with particular areas – like preparing for exams – you'll have access to fantastic resources on the ACCA website.

## English not your first language?

No problem. We offer additional support with English language through our training partner, BPP.

They give you targeted support for each exam you take – and they'll give you the confidence of having up-to-date business English.

# Taking exams

## When?

We offer four exam sessions every year so you can schedule your exams at a time and pace that suits you. You can choose to sit your exams in March, June, September or December. Learn more about our exciting exam innovations at [accaglobal.com/exams](https://accaglobal.com/exams).

## Where?

We have over 466 exam centres in more than 149 countries – and if you live somewhere particularly remote, we may be able to arrange an alternative exam centre for you.

## How?

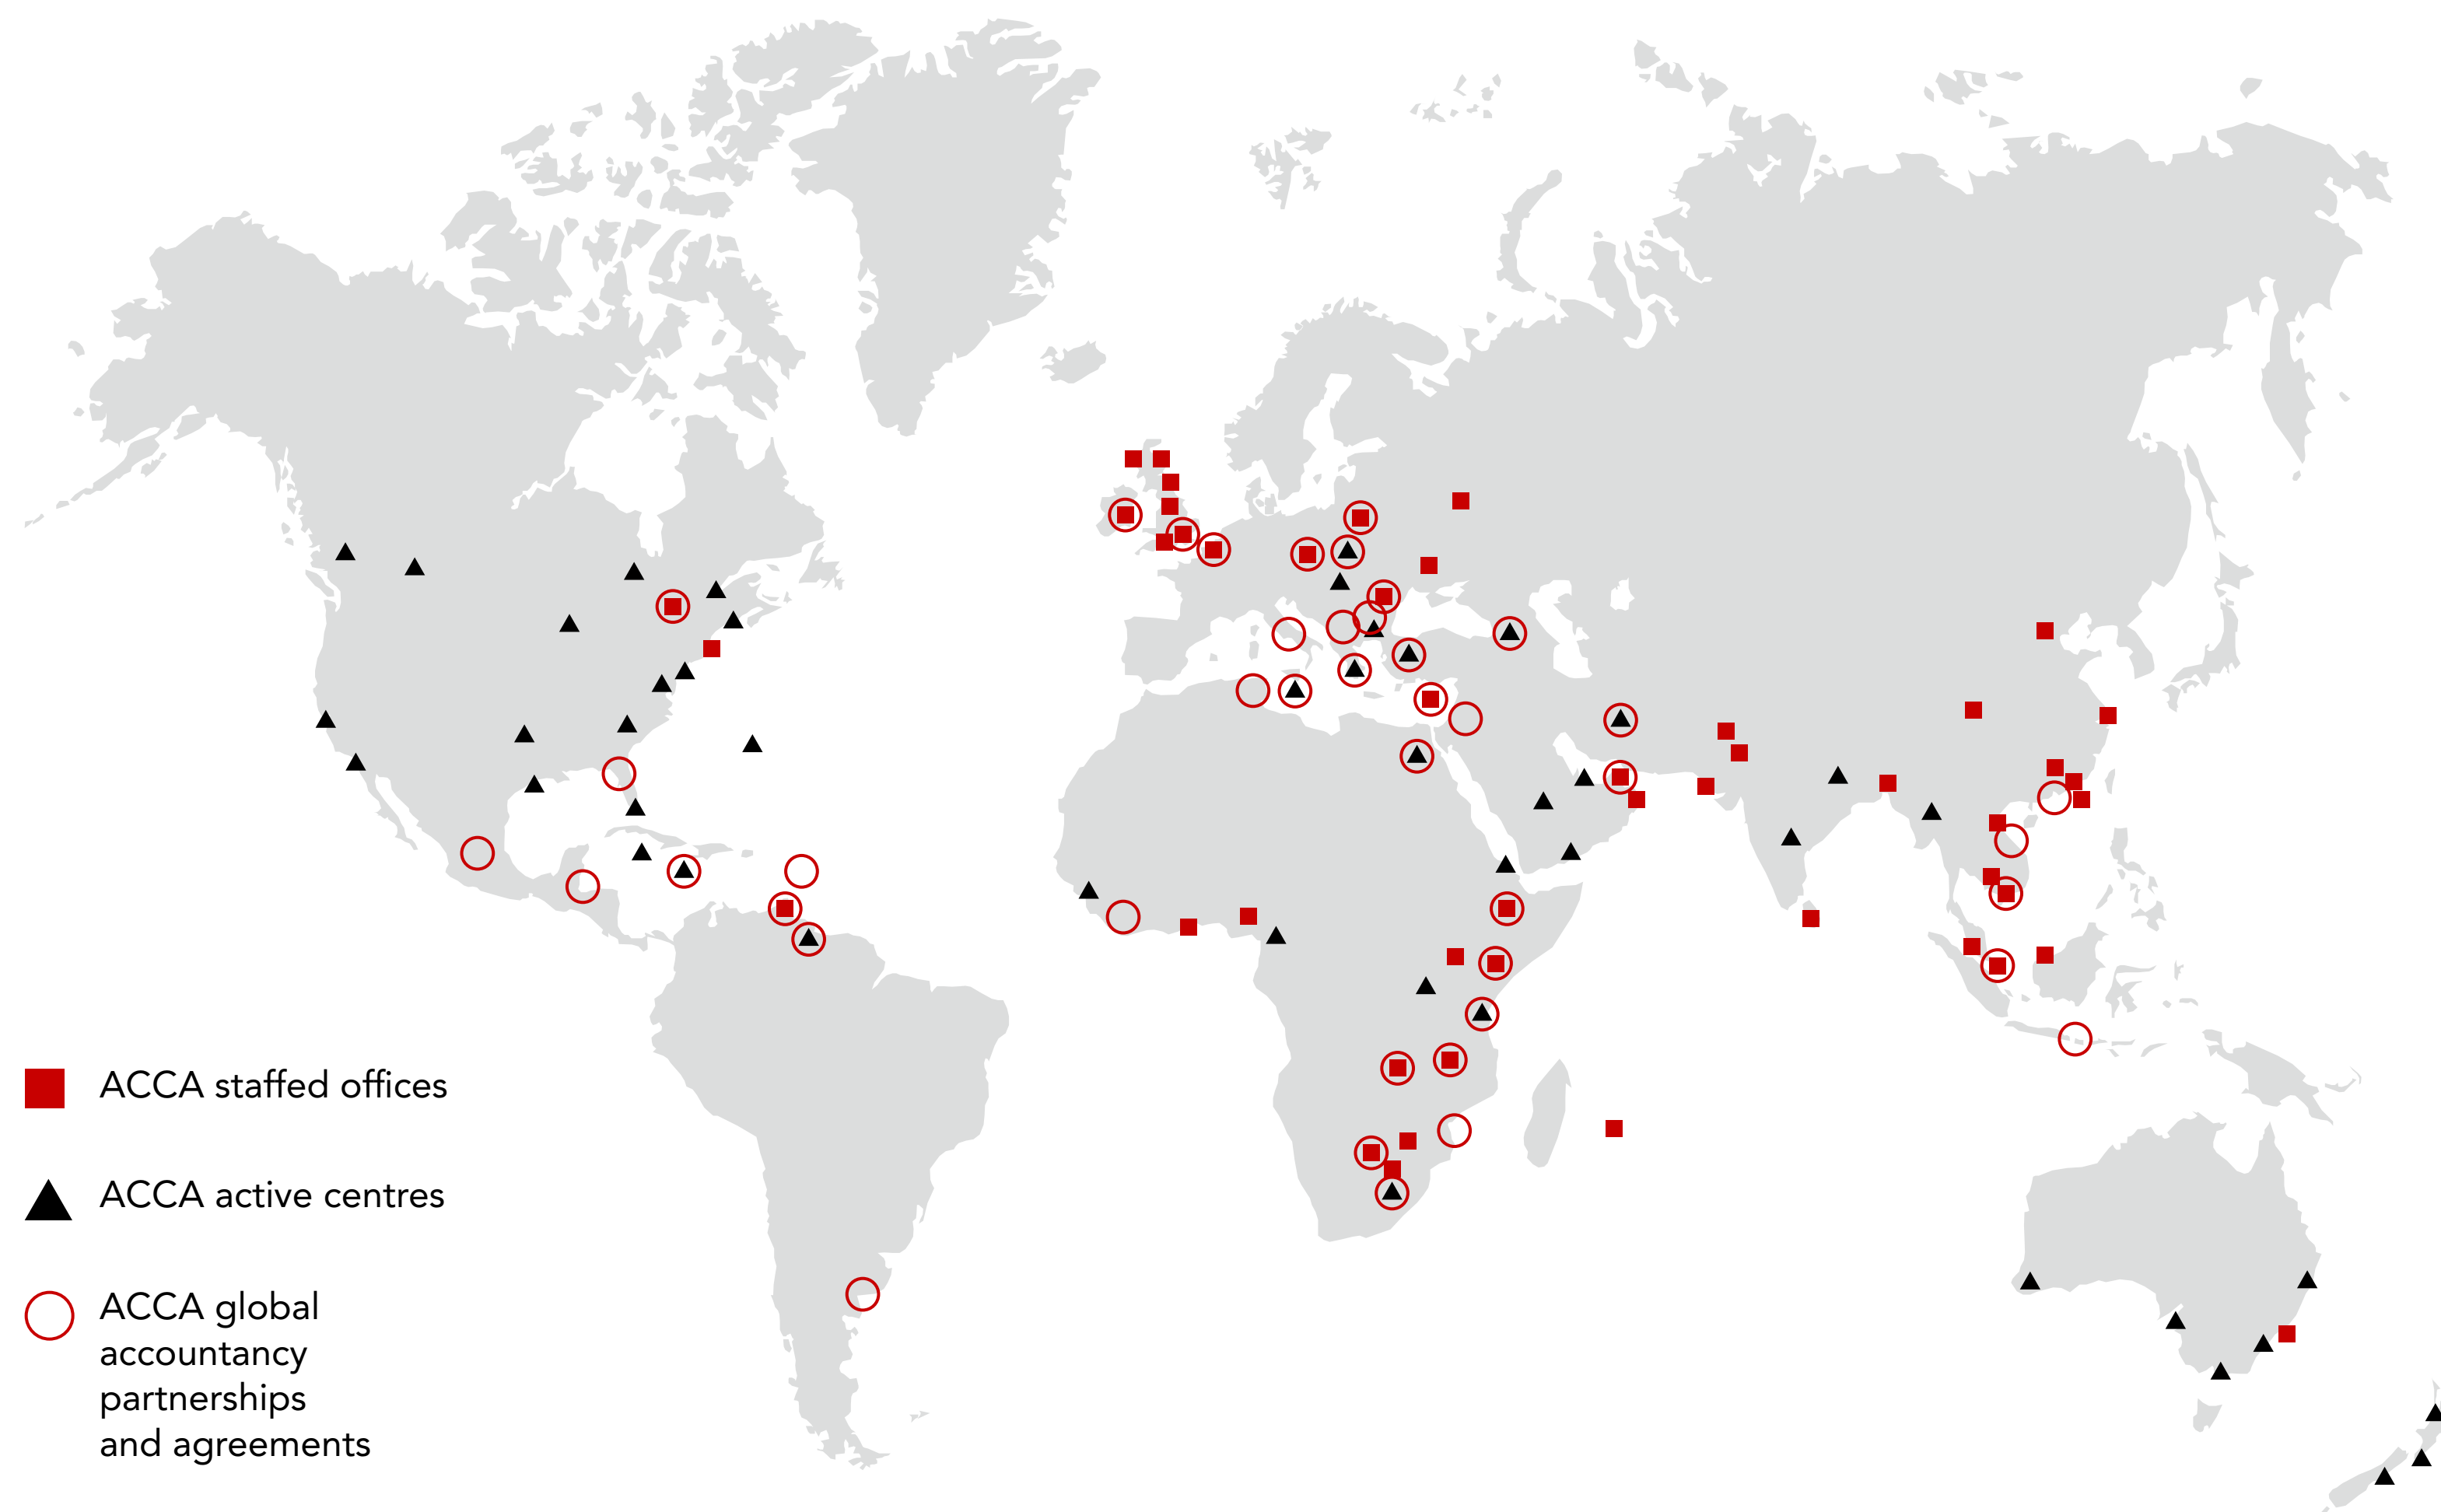

Some of our exams are traditional paper exams. And currently, all of our Foundation exams – as well as the first four exams at Fundamentals level – are available as on-demand computer-based exams (CBE). You can sit these at any time of the year in any of our licensed CBE centres. With CBEs, you get your results instantly, and you can retake them as often as you need.

Our whole approach is flexible and convenient – and our exam timetables are no exception.
